COMMUNICATION IN RE: APPLICATION DATA SHEET (ADS)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Applicant has noted in the filing receipt that information concerning the provisional application, Serial No. 60/402,801, upon which priority is claimed under 35 U.S.C. 119(e), is inconsistent with the Patent Office records. The Patent Office records show the correct filing date for the provisional application. An incorrect filing date was included in the text of Applicant's application for which an amendment is being made now to correct the filing date. Attached is an initial ADS for filing in connection with this matter. A previous ADS was not submitted with this application. Correction of the record is requested with issuance of a new filing receipt for this application.

Respectfully submitted,
Frank A. Peters
